

# Device Holder for Yamaha Wolverine RMAX 1000

ZP-YJ-031108-001

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

### IMPORTANT

The ELECTRONIC DEVICE HOLDER is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

### INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Products and accessories:

Product: 1 Piece

Accessories Screws: 8PCS (M4\*14)

2. Remove the storage box of the original vehicle, place the new device holder, prepare a 3MM drill bit, drill screw holes on the original vehicle according to the screw hole positions on the device holder, and finally tighten the screws to fix the device holder. As shown in picture:
