

Under Seat Speaker Panel For Can-Am Maverick X3

SAUTVS®

ZP-YJ-030603-158

BEFORE YOU BEGIN

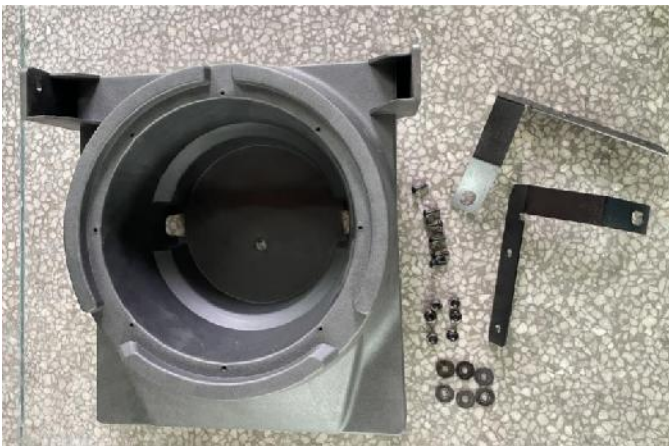

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

This UNDER SEAT SPEAKER PANEL KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product and accessories.

3. First, fix the two supporting iron supports in the product on the main body of the product (pay attention to the installation direction of the iron supports).

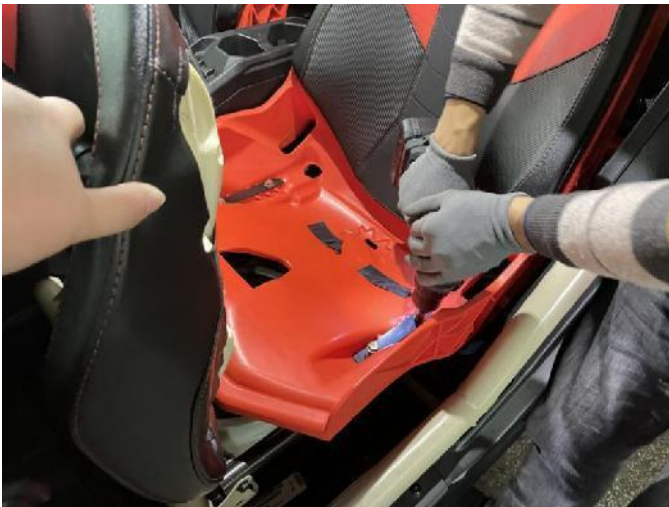

4. Remove the driver's seat, the original audio support is also removed.

5. Unscrew the fixing nuts of the seat slide bar brackets on both sides, pull up the slide bar brackets, place the audio brackets at the installation position, and then put the iron brackets on the audio brackets on the screw posts of the seat slide bar respectively, and then press the slide bar brackets to screw back the nuts.

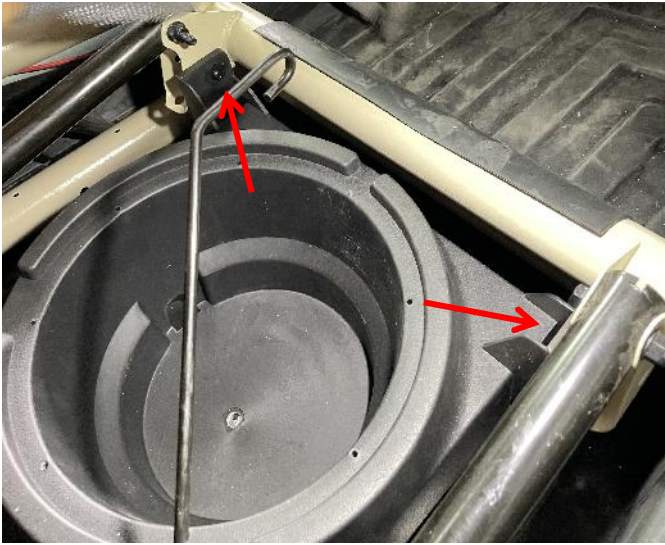

6. Use the screws in the product accessories package to fix the other side of the audio bracket, and then install the seat back to its original position.
