SAUTV5

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This CENTER REAR VIEW MIRROR KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Products and accessories

3. First unscrew the screws on the clamping tube of the reversing mirror, and put a non-slip pad in the middle of the clamping tube.

4. Clamp the reversing mirror on the front cross member of the original vehicle, and tighten it with the previously unscrewed screws. (Note: The interior mirror can be manually adjusted up and down to the desired angle)
