

Dashboard Storage Box for Polaris RZR PRO R

ZP-YJ-030508-015

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The Dashboard Storage Box is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Products and accessories:

2. First, clamp the steel clips in the product package on the fixed column around the storage box. As shown in picture:

3. Remove the instrument decoration cover of the original vehicle and install the storage box. Then press hard so that the steel clips are completely stuck into the notch. As shown in picture:

Note: When installing the storage box, it is necessary to align the 4 corners of the storage box that equipped with steel clips with the limit notches on the original vehicle.
