

# Radiator Fan Shroud for Polaris RZR XP 1000

ZP-YJ-030503-113

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

## IMPORTANT

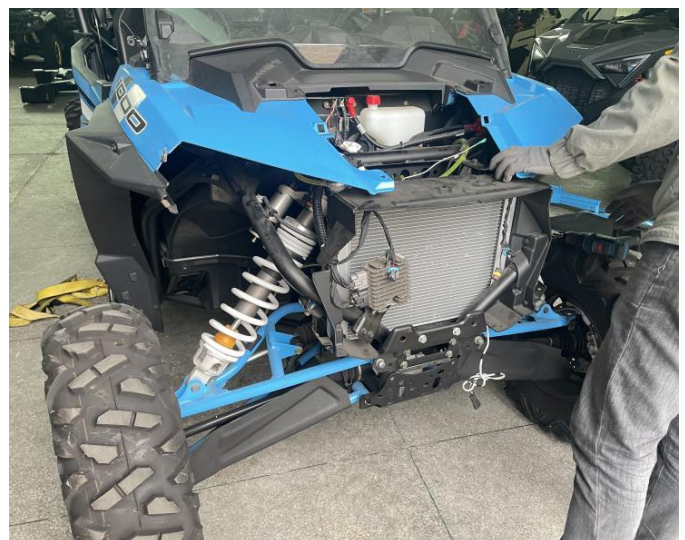

This Radiator Fan Shroud is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product picture

3. Open the original engine cover and remove the front bar. As shown below:

4. Disconnect the wiring harness plug-in of the fan of the original vehicle, unscrew the fan bracket of the original vehicle, and remove the fan bracket. As shown below:
