

# Side Mirrors for Polaris General 1000 2016-2023

SAUTVS®

ZP-YJ-030505-017

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

## IMPORTANT

This Side Mirrors are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product picture

3. First remove the screws of pillar A of the original vehicle (hold the nut at the back with your hand to prevent it from falling out), fix the mounting bracket of the side mirror on pillar A with the matching screws in the package. As shown below:

5. Installation finished.

4. Install the side mirror on the bracket, fix it with the matching screws, adjust the Angle of the side mirror, and then tighten the screws (the side mirror on the other side can be installed in the same way as above). As shown below:

**Note:** Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
