

Front Mesh Grill with LED Light for Polaris Ranger XP 1000

ZP-YJ-030503-076

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

Your Front Mesh Grill Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTRUCTIONS

Installation

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Prepare the mesh grill and the hardware as shown.

2. Remove the original mesh grill with LED light.

3. Remove the lower protection boards in the middle of front and rear seats.

4. Connect the white wire to ACC as shown.

5. Wires go through the position as shown in Step 3.
