

# LinQ Rack for Can-Am Ryker

ZP-YJ-030603-092

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

The LinQ Rack Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## INSTRUCTIONS

### Installation

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Take out the rear rack from the package.

2. Place the rear rack in the red circle position, then push the rear rack along the direction of the arrow, and install it in place.

3. Press the button as the direction of the arrow.

4. Installation finished.
