

Side Mirrors for Honda Pioneer 1000

ZP-YJ-030905-006

SAUTVS®

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

This Side Mirror is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Products and accessories:

3. Firstly, assemble the supporting mounting bracket of the product on the side mirror (distinguish the left and right sides) and fix it with screws. As shown below:

4. Remove the screws on the front A-bar of the vehicle with a socket wrench and replace them with the matching screws of the product. (1 to 1 replacement is recommended). As shown below:
