

Front Accent Lights for Polaris General 1000

SAUTVS®

ZP-YJ-030502-032

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

The Front Accent Lights are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product picture

3. First remove the mesh grill of the original vehicle, then install the mesh grill lights, and use the small "L" shaped brackets to fix them. As shown in the picture:

4. Remove the cover of the original vehicle, get the adapter wires out from the package, and connect them with the mesh grill lights separately, and then install the mesh grill on the vehicle, and the extension wire of the adapter wire extends to the terminal post through the gap of the vehicle (the black wire is connected to the negative, and the red wire is connected to the daytime running), and finally install the cover. As shown in the picture:
