## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

## IMPORTANT

This Grab Bar Assembly is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First pull out the fixed pin on the front passenger safety handle of the original vehicle, and then remove the original handle. As shown below:

3. Install the new handle on the original handlebar bracket, then choose a good handle distance as needed, align the fixed hole on the handle with the fixed hole on the mounting bracket, and insert the pin back at last. As shown below:
