

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

The Grille Accent Fang Lights are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Product and accessories pictures:

2. First install the fang lights on both sides of the original grille with self-tapping screws. As shown in picture:

3. Open the cover of the original vehicle, find the wiring harness plug-in of the original vehicle daily running light and disconnect it. Then prepare the conversion cable for the fang light, connect it with the original vehicle daily running light and the vehicle wiring harness plug-in, and then pull the conversion cable to the grille, connect the fang light respectively, and finally install the cover. As shown in picture:
