

# LED Taillights for Polaris RZR XP 1000 2014-2018

ZP-YJ-030502-035

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

These *LED Taillights* are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture

1. First remove the plastic rear bar of the original vehicle, remove the original taillights, and then reinstall the new taillight, and fix it with the original nuts. (Install the other side taillight in the same way). As the picture shows:
