

Tail Lights for Kawasaki Teryx KRX 1000

ZP-YJ-031002-006

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

These Tail Lights are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Product and accessories pictures:

2. First, remove the original vehicle's taillights and move the steel clips on the rear housing of the original taillights onto the new taillights. As shown in picture:

3. Connect the new taillight to the original vehicle taillight harness, and finally secure it with the original vehicle screws. (Install the tail light on the other side in the same way). As shown in picture:
