

Rear Mud Flaps for Yamaha YXZ 1000

ZP-YJ-031110-002

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

The Rear Mud Flaps are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Product and accessories pictures:

2. First, unscrew the screws on the original rear wheel trim panel, then place the mudguard and tighten the screws back. Use an 8mm drill bit to drill a fixing hole according to the screw hole on the mudguard, and then reinforce it with a nylon buckle. (Install the other side in the same way).As shown in picture:
