BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Aluminum Hard Roof Top* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

PRODUCT AND ACCESSORIES

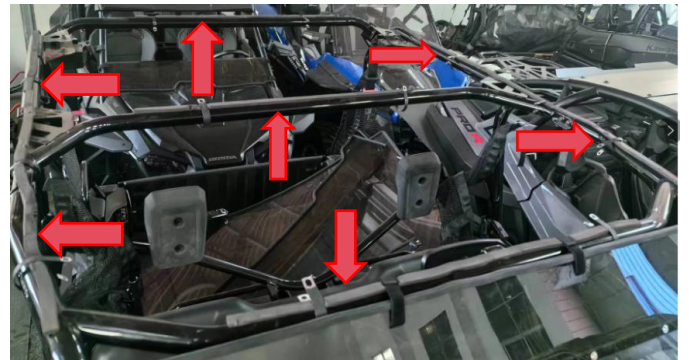

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Assemble parts 1, parts 2, parts 3 and parts 4 with 27pcs M6*16 hex screws, 27pcs M6 flat washers and 27pcs M6 lock nuts. And then assemble parts 5 and parts 6 at the left and right corners of part 4 with 4pcs M6*16 hex screws, 4pcs M6 flat washers and 4pcs M6 lock

nuts. As shown in the figure:

3. Paste the foam strip around the top of the frame, as shown below.

4. Place the roof on the top of the frame, and the notch position is aligned with the frame position, as shown in the figure:
