

Electronic Device Holder for Polaris Xpedition XP/ADV 2024+

ZP-YJ-030508-023

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The ELECTRONIC DEVICE HOLDER is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture:

1. Place the navigation bracket on the center control console, then fix it with the self-tapping screws in the accessories package. Finally, take out the sponge strips in the accessories package. Stick the thick sponge strip to the lower part of the phone holder, and stick the thin sponge strip to the cover plate. As shown in the picture below:
