

# Electronic Device Holder For Polaris Ranger XD 1500

SAUTV5

ZP-YJ-030503-155

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Electronic Device Holder* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## PRODUCT AND ACCESSORIES

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Place the device holder on the instrument. Drill holes on the instrument platform with a 3mm drill bit according to the fixing holes' position on the device holder, and then secure it using self-tapping screws. As the pictures show:

NOTE: One fixing hole needs to be fixed with a M4x30 tapping screw, and the other holes need to be fixed with M4 x12 tapping screws.
