

Mesh Grill with LED Spotlight for Polaris XP 1000/ XP 4 1000 2024+

SAUTVS

ZP-YJ-030502-043

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

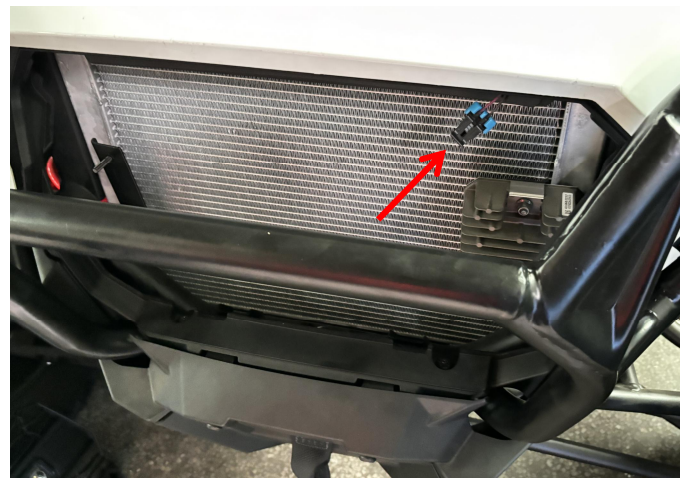

This *Mesh Grill with LED Spotlight* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

Product picture

1. First remove the original mesh grill of the vehicle, and find the reserved extension harness of the original vehicle. As the picture shows:

2. Disconnect the wiring harness plug-ins of the spotlight on new mesh grill first, and connect the wiring harness to the extension wiring harness of the original vehicle by breaking the outer skin of the wire (connect the black wire to the black wire, and connect the red wire to the red wire), the wire junction must be insulated, and then reconnect the wiring harness plug-ins. Finally fix the mesh grill. As the picture shows:
