

Under Dash Speaker Pods for Polaris Ranger XP 1000

ZP-YJ-030503-150

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This *Under Dash Speaker Pods Kit* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture and accessories(Speakers are not included)

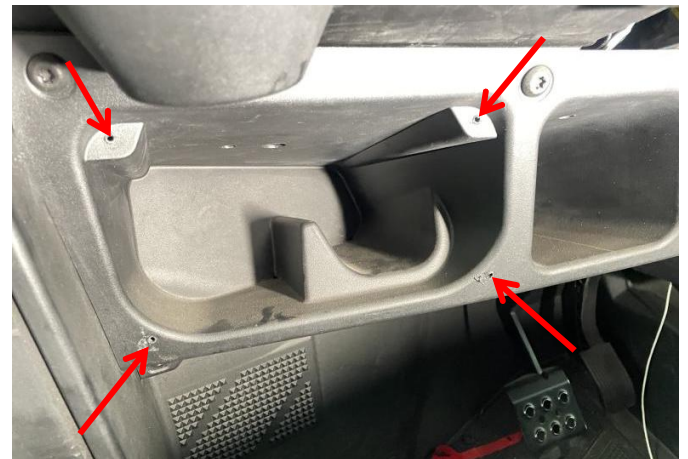

Note: This product is suitable for 5 inch speaker (speaker is similar to the model in the picture, with 4 fixed angles)

1. Install the speaker(purchased by yourself) on the bracket first, and fix it with M4*12 self-tapping screws in the product. As the picture shows:

2. Prepare a 3mm drill bit and drill holes according to the reserved anchor points where the speaker is installed on the original vehicle. Then match the bracket to the fixing holes, secure it using M4*30 self-tapping screws (the other side is installed in the same way). As the picture shows:

Note: The wiring harness of the speaker needs to be connected by the owner.
