

Front Mesh Grill with Remote Control RGB Light for Polaris RZR XP 1000 2014-2018

ZP-YJ-030503-152

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This *RGB Light Kit* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture and accessories

Remote control function:

- A: Color light mode 1
- B: Color light mode 2
- C: Turn off
- D: Spotlight mode

1. Install batteries on the spotlight remote controller first, prepare a pair of tweezers or utility knife, pry it open along the edge of the controller, then install 2 round batteries, and then close the controller. As the picture shows:

Note: Refer to the battery model in the picture (Batteries are not included in the product package).

2. First remove the original hood and center mesh grill. As shown in the picture:

ZP-YJ-030503-152

3. Install the new mesh grill, first pull the wiring harness of the mesh grill spotlight through the gap of the vehicle to the battery wiring, and connect the positive and negative wiring harness of the spotlight to the battery, and then install the new mesh grill. As the picture shows:

Note: The black wire is connected to the negative electrode, and the red wire is connected to the positive electrode.

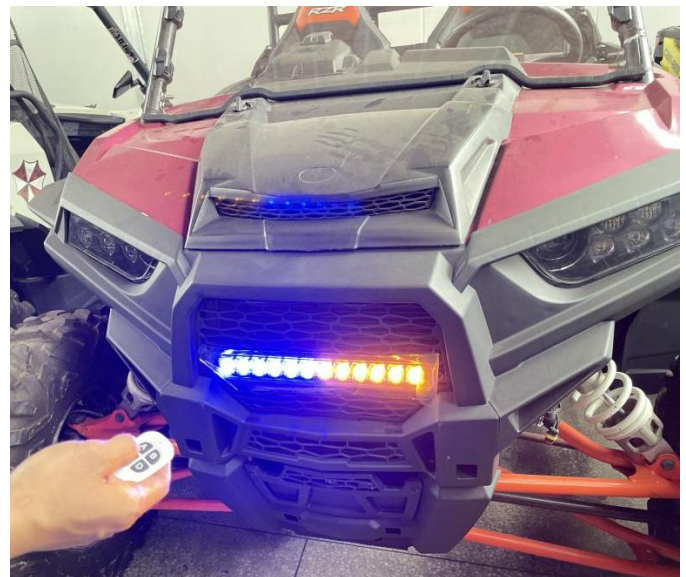

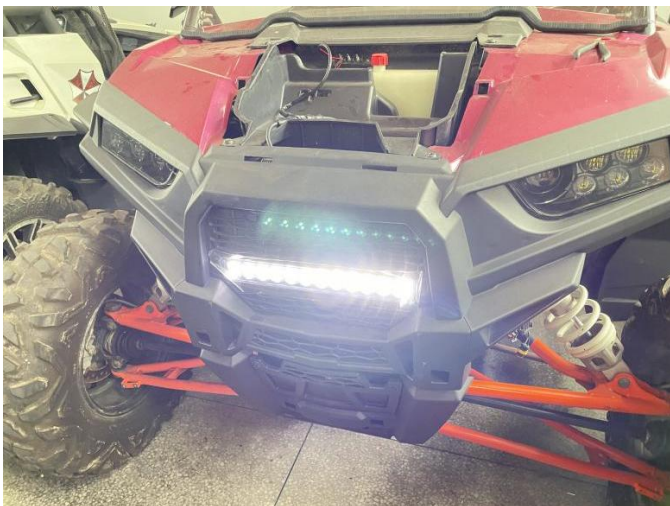

4. Remove the double-sided adhesive anti-mucous membrane on the surface of the spotlight drive box, and stick the drive box to the spare place of the original vehicle, and then start the vehicle to check whether the

spotlight is normally lit, and install back the hood to the vehicle after confirmation. As the picture shows:

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

5. Installation finished.
