SAUTVS®

ZP-YJ-030603-177

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

This FRONT DASH SPEAKER PODS PANELS KIT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product image.
(This product does not include speakers)

3. First, remove the fixing screws on the press frame of the speaker bracket, after that, place the speaker in the slot and use the screws just unscrewed to fix it, and finally use the matching screws to fix the decorative bezel on the speaker bracket.

Note: ① This product does not include speakers, the owner needs to purchase additional;
② When removing the screws on the frame, you need to keep the lower chassis installation orientation, do not change to avoid subsequent installation interference;
③ Speaker wiring harness needs to be wired by the owner.
