

Tool Box Cover for Polaris Sportsman 500

ZP-YJ-030503-166

SAUTV5

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Tool Box Cover* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

PRODUCT

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Remove the original storage box cover of the vehicle, and then install the new cover. (Only need to install the limit column at both ends of the cover to the fixed slots on the vehicle when installing.) As the picture shows:

3. The installation is complete.

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
