

# Foot Pedal Partition Board for Polaris Ranger 570 Full Size

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

This *Partition Board Kit* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture and accessories

1. First remove the original partition board of the vehicle, then replace the new partition board, and use the original screws of the vehicle to fix it. As the picture shows:

**Note:** When installing the partition board, it is necessary to get the limit hook of the back panel stuck into the original baffle of the vehicle, and then fix the screws.
