

Front Fender for Yamaha Raptor 700

ZP-YJ-031103-013

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

The Front Fender is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product and accessories picture:

1. First, use the matching M4 self tapping screws to fix the three pieces in the picture together As shown in picture:

2. Use M4 and M3 self tapping screws to connect the parts in the picture to the plastic parts in step 1. As shown in picture:
